No.	Submitted By	Alert Number	Country of Origin	Product		Risk	Measures
1	Romania	A12/01312/20	China		Baby t-shirt Type / number of model: Unknown Barcode: Unknown	Choking The product contains small decorative elements that can easily be detached. A child may put them in the mouth and choke on it. / The product does not comply with the relevant European standard EN 71-1.	Measures ordered by public authorities (to: Distributor): Withdrawal of the product from the market
2	Cyprus	A12/01357/20	Greece		Children' clothing set Type / number of model: T12211704 Barcode: Unknown	Injuries The product bears long functional cords at the back area. The cords may become trapped during various activities of a child, leading to injuries. The product was sold online. / The product does not comply with the relevant European Standard EN 14682.	Measures ordered by public authorities (to: Retailer): Withdrawal of the product from the market
3	United Kingdom	A12/01335/20	United Kingdom		Battery Operated Toy Type / number of model: AV636 Barcode: 50501174078239	Chemical, Injuries The electrical circuit and the button batteries can easily detach from the toy. A child could place any of them in the mouth and choke on it. When swallowed, button cells can trigger the generation of the highly corrosive sodium hydroxide in the body, leading to severe burns and tissue damage. / The product does not comply with the requirements of the Toy Safety Directive and the relevant European standard EN 62115.	Measures ordered by public authorities (to: Manufacturer): Recall of the product from end users
4	Poland	A12/01355/20	China		Toy slime Type / number of model: 798 Barcode: 5903268207974	Chemical The migration of boron from the toy is too high (measured value up to 1208 mg/kg). Ingestion or contact with an excessive quantity of boron may harm the health of children by damaging their reproductive system. / The product does not comply with REACH Regulation.	Measures taken by economic operators: Withdrawal of the product from the market (By: Importer)
5	United Kingdom	A12/01439/20	China		Ceiling Light Type / number of model: HT015A Barcode: Unknown	Electric shock The clamping on the earth terminal may become loose, leading to the product becoming live. A user may touch it and receive an electric shock. / The product does not comply with the requirements of the Low Voltage Directive and of the relevant European standards EN 60598-1 and EN 60598-2.	Measures taken by economic operators: Destruction of the product (By: Importer)

No.	Alert submitted by	Alert number	Country of origin	Product	Risk	Measures
1	CB2	Recall number: 21-004 October 7, 2020	Vietnam	 Bordo and Bordo XL dining tables	Injury Hazard The table legs can become unsteady when moved, causing the table to collapse, posing an injury hazard.	Refund Consumers should immediately stop using the recalled tables and contact CB2 for instructions on how to receive a full refund.
2	Sales BSD	Recall number: 21-703 October 15, 2020	China	 Homerygardens™ 4-Outlet, 6' Foot Long Indoor and Outdoor Extension Cord Splitters	Fire Hazard The wire size of the recalled extension cords cannot handle the appropriate amp load and lacks protective features, posing a fire hazard.	Refund Consumers should immediately stop using the recalled extension cords and contact Sales BSD Inc. to return the product for a full refund. Shipping and handling will be at no cost to consumers. The firm is contacting all known purchasers directly.
3	Porter World Trade	Recall number: 21-015 October 28, 2020	China	 Ron Jon Surf Shop Sippy Cup	Chemical Hazard This recall involves 13.5-ounce Ron Jon Surf Sippy Cups. The main body of the cup is either orange, blue, pink, or green. There is a rubber-like grip material around the cup. The rubber-like material has images of turtle, crab, fish, boat, and sea grass and the RON JON SURF SHOP design. The product has UPC number 1082-0405 printed on the bottom of the product.	Refund Consumers should immediately take the recalled Sippy Cup away from children and contact Porter World Trade for instructions on how to return the product for a full refund.
4	Mueller Austria	Recall number: 21-017 October 29, 2020	Hong Kong	 Mueller Austria Onion Chopper Pro	Laceration Hazard The product's locking tab can detach from the rest of the unit during use, causing hands and fingers to slide into the blades.	Replace Consumers should immediately stop using the recalled onion choppers and contact Mueller Austria for a free replacement model with a newly-designed locking tab.

No.	Alert submitted by	Alert number	Country of origin	Product		Risk	Measures
1	Hanamint Corporation	RA-74057 October 1, 2020	China		Hanamint Swivel Rockers, Club Swivel Rockers and Club Swivel Gliders	Fall Hazard The chair's post can separate from the base posing a fall hazard.	Consumers should immediately stop using the recalled chairs and contact Hanamint Corporation for a free repair.
2	Pier 1 Imports Inc.	RA-74093 October 9, 2020	Vietnam		Pier 1 Three-wick Halloween candles	Fire and Burn Hazards The candle's high flames can ignite the surface of the wax, posing fire and burn hazards.	Consumers should immediately stop using the recalled candles, cut all three wicks as short as possible, and then dispose of the product in their household trash.
3	Joint recall with Health Canada, the United States Consumer Product Safety Commission (US CPSC) and Bed Bath & Beyond Canada L.P.	RA-74141 October 21, 2020	China		SALT Lounge Chairs	Fall Hazard The locking mechanism on the chair frame may become disengaged, posing a fall hazard.	Customers who purchased a lounge chair can return it to any Bed Bath & Beyond location. BBB Canada will provide a full refund of the purchase price, or a merchandise credit if the consumer's purchase price cannot be determined.
4	Kimberly-Clark Inc.	RA-74165 October 21, 2020	United States		Flushable Wipes	Microbial contamination Hazard Some of the recalled products may have the presence of a common household microorganism, <i>Pluralibacter gergoviae</i> . <i>Pluralibacter gergoviae</i> rarely causes serious infections in healthy individuals.	Consumers should immediately stop using the recalled product and dispose of it. Contact Kimberly-Clark for a refund and for information on disposal.

No.	Alert submitted by	Alert number	Company of origin	Product	Risk	Measures
1	Australian Competition and Consumer Commission	2020/18480 Date published 6 Oct 2020	Sleeping with the Enemy	 Summer Mini Personalized Sleepwear	Fire Hazard The garments do not comply with the requirements of the mandatory standard 'Consumer Goods (Children's Nightwear and Limited Daywear and Paper Patterns for Children's Nightwear) Safety Standard 2017'.	Consumers should stop using the product and return it to Sleeping with the Enemy at the below address to have the required label affixed to it. Sleeping with the Enemy will refund return postage.
2	Australian Competition and Consumer Commission	2020/18533 Date published 26 Oct 2020	Bubs & Me Boutique	 Dummy Chains	Strangulation Hazard The dummy chain may get caught around an infant/child's throat and pose a strangulation hazard.	Consumers should immediately cease using the product and return it to Bubs & Me Boutique for a full refund.
3	Australian Competition and Consumer Commission	2020/18624 Date published 27 Oct 2020	Australian Football League	 Promotional LED Wristband	Burn Hazard If young children gain access to the button batteries and ingest them, they may suffer internal burn injuries, which can result in serious illness and even death. In addition, the batteries may pose a choking hazard to young children.	Consumers who received a free promotional wristband should immediately dispose of the wristband by placing it in an outside household rubbish bin, out of reach of children.
4	Australian Competition and Consumer Commission	2020/18610 Date published 28 Oct 2020	Bloom and Grow Australia Pty Ltd	 Eco-brand Infant Cutlery from Herobility	Choking Hazard The Eco Feeding Spoon and Eco Baby Spoon and Fork products may break into small pieces.
